Please provide the following information about your previous Science class:

Grade:

Teacher:

Grade earned:

What did you enjoy about your previous science classes?

List three things that you really did not like about science class last year.

1. _____
2. _____
3. _____

If you could learn one thing in science this year, what would it be?

Do you enjoy science? If not, explain why.

Tell me how you plan to succeed in Science this year.

Which subjects do you find difficult?

Do you prefer to work in groups or alone? Why?

Do you prefer to work with people or with machines? Why?

Do you consider yourself a quiet or talkative person?

What are your strong points as a person?

Do you have a special hero? If so, who is it and why?

If you could pick any person in the world (present day or in history) to teach you a subject, whom would you pick and why?

Tell me something about yourself that you would like me to know.
